

LEARNING HAPPENS ANYWHERE. EVEN BETWEEN THE WASH AND RINSE CYCLES.

**Reading agitates, cleans up dark corners, scrubs away cobwebs in your brain.** That's why we celebrate the power of reading every day at **USC INFORMATION SERVICES**. We're connecting people and ideas by erasing boundaries between traditional and digital resources. The result is 21st century learning – with a score of libraries and scholarly collections, wireless networking, next-generation classrooms, and web-based research.

**Read.** It'll change your life – and your laundry
